

Dear WEBBY Family,

Thank you for enrolling your child(ren) in one of our many exciting programs! Our classes encourage development, improved coordination, and increased self-confidence. All classes begin with warm up and stretching exercises. With over 300 dances in our curriculum, dancers, gymnasts, and yogis will be regularly introduced to new routines that support our exciting, weekly themes. Classes include guided creative movement skills and techniques across the floor. We always conclude with a fun finish dance, game, or activity! At WEBBY Dance Company, enriching the lives of children through movement is our passion!

Children are encouraged to wear traditional dance wear or their WEBBY t-shirt (provided with registration) and non-restrictive shorts or pants. Tennis shoes are appropriate. Ballet shoes are optional for dance classes.
